Dear Parents and Carers,

Remember our two main focus areas are: RAISING THE BAR and CLOSING THE GAP

- What’s best for the kids and their learning?
- Working together as a strong, mutually supportive and empowered team to ensure our kids are offered the very best education possible. As a whole school community it is important we are involved in processes that promote success and lifelong learning for ALL our students.

The weather has certainly interfered with our sports events with many of our PSSA trials for Y5/Y6 postponed or venues changed. Our school sport has also been non-existent so we are all certainly looking forward to a break in the weather and some outdoor activity.

CONGRATULATIONS to MAREE JAMESON

Maree Jameson, our K/Y1 teacher, has been successful in gaining a full time permanent teaching position at Lismore Heights PS. Maree has worked as a full-time temporary teacher at a number of local schools over the last 22 years so gaining permanency is very exciting for her, whilst sad for us, we certainly wish her the very best. Maree is an outstanding teacher who has developed an excellent rapport with all of our students, parents and staff. We thank her very much for her dedication, professionalism as well as extra-curricula work in dance and debating. I am sure we all join together to thank Maree for her time with the students at Bangalow PS.

Maree will remain at our school until the Easter break, taking up her position at Lismore Heights PS on 2 April. We shall now advertise an ‘Expression of Interest’ for our K/1 class ensuring we have a highly qualified, wonderful teacher employed and ready to start by this time.

LOCKDOWN PRACTICE TODAY

As part of our Work Health and Safety requirements we need to practice emergency evacuations and lock downs each semester. Today we practised our lockdown, where we stay safe in the classroom. Could be just the thing if the wild, windy weather returns.

NEXT TUESDAY HOMEWORK and IN CLASS ASSISTANCE TRAINING

Our homework is based on ensuring every child develops the skills they need in literacy and numeracy to be successful at school and later in high school.

At the Homework Training sessions I explain why each part of Bangalow PS homework is so integral to your child’s learning. Please come along to ensure your child is making the most of the valuable 1:1 time you spend together.

I will also go through the process for working with the students on this program in the classrooms.

It would be fantastic for our students if ALL PARENTS were trained.

WHEN: Tuesday March 12 - School Library
3.30pm or 6.00 pm - your choice - Come along and find out how it all works. What is the Spelling Capacity Matrix - it is not a spelling list! How do you test sight words properly so your child improves in fluency and comprehension? How do you complete the Tables Matrix? What tables should students know in each year of school? Why should all students K-6 read aloud?

Kind Regards

Susie Boyle
Principal

Your child will be bringing home a “Great Lunchbox" fridge magnet this week. It’s a reminder to aim to fuel your child with the Good Stuff!

The theme is: **Lunchboxes are as easy as 1, 2, 3 plus water**

**One, pack a sandwich, wrap, roll or leftover**
Sandwiches can be boring – liven it up with different types of breads, rolls and wraps which can be stored in the freezer. Vary the fillings with cold meat, cheese, egg, lettuce, grated carrot, coleslaw, or other salads. Or pack leftovers like fried rice or pasta salad.

**Two, put in a vegetable or fruit snack**
Fresh, whole or pieces, carrot, snowpeas, strawberries, apple, it doesn't matter. Produce in season is cheaper and at its peak. Use small plastic containers for cut up fruit or salad.

**Three, add a couple of healthy snacks**
Variety and interest can be created with snacks like popcorn, low fat fruit yoghurt, a cheese slice and plain biscuits, or go all out with a small sushi or banana bread.

Proudly supporting the school’s Munch & Crunch Program with fresh fruit and vegetables.

**NAPLAN**

**National Assessment Program – Literacy and Numeracy 2013**

The NAPLAN assessments will be completed by all students in Yr3, Yr5, Yr7 and Yr9 in all Australian schools.

All children will be supported in the Yr3 and Yr5 classrooms before and during the assessments.

**We ask that parents do not take students out of school for family holidays, etc. in the weeks preceding or the week of the NAPLAN assessment.**

**BYRON BAY FILM FESTIVAL**

STUDENT HEALTH

Hand, Foot & Mouth

One of our students has a suspected case of Hand, Foot & Mouth disease. This is generally a mild illness, mainly occurring in children under 10 and not at all related to the foot and mouth disease that affects animals.

Symptoms include blisters, fever, sore throat, headache and tiredness. Blisters start as small red dots and develop into ulcers. They occur inside the mouth (cheeks, gums, tongue), and on the hands and feet.

Children with hand, foot and mouth disease should stay at home until their blisters have dried.

The best prevention is good hygiene – washing hands with soap and water after going to the toilet and before eating. The virus is spread by person-to-person contact and it usually takes 3-5 days for the blisters to appear.

Treatment is not normally needed for hand, foot and mouth disease, however paracetamol will relieve fever and discomfort. If fever or headaches persist, please take your child to see the doctor, and PLEASE keep your child at home if they are unwell.

Head Lice

These nasty little critters pop up at school fairly regularly, and all children (and adults) are susceptible. Please be sure to check your child’s head every week and treat where necessary.

There are many solutions available from the chemist and the supermarket, although manual removal of lice and nits (eggs), using a thick conditioner and a fine toothed comb is an effective treatment. Be sure to check every week in order to get any nits that have hatched since the last treatment.

As head lice are spread by hair-to-hair contact, it is advisable for long hair to be tied back or plaited as a preventative measure.

Thank you for your vigilance in checking your children’s heads regularly!

JUNIOR CHOIR

All Kinder students attended Junior Choir yesterday and were given a permission note. Any students who want to join the Choir need to return their note by tomorrow if possible.

VOLUNTARY CONTRIBUTIONS

Many thanks to all the families who have paid their Voluntary Contribution. Voluntary Contributions are requested of all families to help cover the cost of home readers, guided reading and classroom literacy resources. These contributions are paid into our Library Fund, and are tax deductible. Voluntary Contributions for 2013 will remain at $35 for a single child, or $70 per family. Thank you for your support of our school.

YES, you can pay for Book Packs and Voluntary Contributions using EFTPOS.
Sorry, we are unable to take payments for the Uniform Shop using our EFTPOS terminal.

WIN AN IPAD!!

All families who have paid their Voluntary Contribution before the end of Term 1 and have no outstanding payments owed to the school (eg Book Pack) will go into the draw to win an iPad!

All you have to do is make sure you have paid by Thursday 11th April, and the winner will be drawn at the last Assembly for the term (on Friday 12th April).

Good Luck!

IS YOUR INFORMATION UP TO DATE?

Have we got the most up-to-date information for your child? If you have had ANY changes in address, contact details, etc. please be sure to let us know. A note or phone call to the school is all that is required. Please feel free to check that we have your current information.
2013 International Competitions & Assessments for Schools (ICAS)

Students in Years 3, 4, 5 and 6 are encouraged to participate in the annual ICAS academic competitions run by the University of NSW. Every student receives an individual diagnostic report as well as a UNSW certificate acknowledging participation and celebrating achievement. Testing takes place at school under the supervision of a teacher.

Students in Years 3-6 have received a note and entry form for these competitions. **In order for your child to take part, please return it to school with the relevant payment by the end of Week 10 Term 1.**

P and C Trivia Night

JUST ONE WEEK TO GO UNTIL BPS TRIVIA NIGHT!

There’s nothing trivial about missing out on trivia! And you just might if you don’t get your tickets organised soon as they are selling quickly.

The Bangalow Public School Trivia Night (Saturday March 16th at the Bowling Club from 7.30pm) is now just over ONE week away and tickets are chugging along.

Our brains trust has been working feverishly to put together some crack trivia questions and there are fabulous prizes on offer. And with Quiz Mistress Sharon Fraser on the microphone anything can (and probably will) happen!

A reminder that this is a strictly adults only night. For those who can get down to the club early, our good friends at the Bowlo are offering an excellent value dinner special of pasta, salad and bread for just $15 per person commencing from (order between 5.45pm and 6.45pm).

Tables will be pre-allocated based on who buys tickets first and can be bought as a group (table of 8) or individually. If you have a smaller group or are buying an individual ticket that’s ok too - you will be placed at a wonderful mixed table.

Tickets for the trivia night are just $15 per person (includes a lovely cheese platter per table) with all profits going directly back to our school.

This week’s trivia questions are:

1. Who are the US presidents on Mount Rushmore?
2. Who voiced the princess (Fiona) in the film Shrek?
3. What were the first names of the three Bronte sisters?

How did you go with the trivia questions last week?
The answers are:

1. Right hand; 2. Wilma; 3. Batman

Volunteering and the Schedule

Hi Everyone,

Firstly, thank you to everyone who has already paid their Voluntary Contribution to the school. Currently about 75% of families have done so and this is a record result up from last year. If you haven’t and you can manage this, then please do. Given our budget it makes a real difference.

Here’s the truth about having our children have a world class education in Australia today.

*It’s inconvenient!*  
It takes a community of people, not just a few, inconveniencing themselves, either financially or with their time or both, to raise the funding we require to provide our kids with the best future possible. Consider that if you’re interested in your child or children having an extraordinary future then you’re interested in inconveniencing yourself in this way because it is the only way it gets done. I know you’re interested in your child having an amazing future because you’re reading this newsletter.

Given that and as promised, please find the volunteering schedule on the back of this page detailing the currently scheduled fund raising events for this year. They include a huge variety of ways you can get involved from running and managing events, participating in a specific event for a few hours or a day or being involved in big projects which occur over time. If BBQing sausages is your thing, we definitely have something for you! If it’s art, or film or dance and kids, we definitely have something for you! If it’s managing a team of people to deliver a big result over time, then we definitely have something for you!!!

Here’s how the Volunteer Schedule works:

1. Look for something that interests you or that would make a difference.
2. If the dates work, lock it into your diary.
3. In the *Yes, Please Let Me Volunteer Column* put the numbers 1, 2 and 3 against the events you would like to volunteer for in order of preference. If there’s more than 1 event you would love to volunteer for, put the number 1 against these. 2 and 3 then go against other lesser preferred events.
4. Fill in your personal details below so we know how to contact you.
5. Either:
   - Send the form back to school with your child ASAP (this is definitely preferred)
   - Scan and email it to me at josh@joshrogers.me

**NOTE:** WE DESPERATELY NEED TO FILL TWO LEADERSHIP ROLES FOR MADHATTERS ASAP. ONE PERSON TO MANAGE THE EVENT AND ANOTHER TO MANAGE PUBLICITY AND MARKETING. IF THIS IS YOU, PLEASE LET US KNOW ASAP!

Thank you in advance for taking this on and the difference it will make.

Regards,
