**1/2H CLASS NEWS**

**1/2H - Year 1/2**
Class Teacher: Mr Steve Hutchinson

At the moment in Literacy the students are completing a unit on Dinosaurs. The focus has been on writing Information Reports and then completing an exposition based on their favourite dinosaur.

- My favourite dinosaur is the T-Rex because it is the king of all dinosaurs and it eats meat. I eat meat too. **Elliott**
- My favourite dinosaur is a Stegosaurus because it has shiny plates and a dagger-like tail. **Cohen**
- My favourite dinosaur is a T-Rex because its teeth are 20cm long. **Vinnie**
- My favourite dinosaur is a Brachiosaurus because you could slide down its neck. You could use its neck as a diving board. **Sol**
- My favourite dinosaur is a Diplodocus. I like it because I can ride on it to school. **Max**

This week in Mathematics we are learning about skip counting and data collection.

Our COGS unit this term is ‘Our Families’. We are looking at comparing families’ similarities and differences.

Dear Parents

The seven general capabilities in the new National Curriculum are:

- Literacy
- Numeracy
- Information and communication technology capability,
- Critical and creative thinking
- Personal and social capability
- Ethical understanding
- and Intercultural understanding.

Our emotional intelligence and social skills program 'You Can Do it' is a great tool for increasing students' personal and social capability.

This term we have been focusing on OSCAR ORGANISATION.

Organisation means ...
- setting a goal to be successful
- planning my time so that I'm not rushed
- having all my supplies ready.

Examples of Organised Behaviour @ Home
- Making sure I understand instructions before I begin a task
- Having all my school supplies ready
- Having a neat school bag so I can find everything
- Planning when I'm going to do my homework so I have enough time

(N.B. Classes are still completing their Environmental Action Plans)

Kind regards
Susie Boyle
