Dear Parents

STUDENTS ARE AT THE CENTRE OF WHAT WE DO

I would like to express my heartfelt thanks to each of you for your ongoing support of the school and our staff as we work together to best educate your children.

This unique highly positive partnership between our parents, staff and the local Bangalow community is both inspirational and essential. We can only achieve our 'School Vision' when we are all on the same page, working together to make all decisions based on what is in the best interests for all students.

This term has been a hugely successful team effort.

A huge number of parents and community members have dedicated many long hours, often behind the scenes, to ensure our students’ needs are met. The extra financial support we have received from the P & C, parents and community members has also enabled us to purchase and provide the students with high quality 21st century resources and programs. On behalf of our students, we thank you all.

Importantly, I think it is also essential to thank our school staff for the extra time and commitment they give to our students. Our teaching and support staff all work together as a professional and dedicated team, undertaking ongoing professional learning as they seek continual improvement in their teaching and support of our students. Many hours, well beyond the paid hours are dedicated to ensuring Bangalow PS provides our students with a top-rate, high quality 21st century education.

Thank you to all students, staff, parents and community members for a wonderful term.

Kind Regards           Susie Boyle, Principal

OSCAR ORGANISATION

Organisation means ...
• setting a goal to be successful
• planning my time so that I'm not rushed
• having all my supplies ready.

Safe travel to and from school

AFTERNOON ORGANISATION

KEEPING YOUR CHILDREN SAFE
Just a reminder re afternoon organisation -

BUS, OOSH, PARENT COLLECTION
• All students who are catching a bus, attending OOSH or waiting for collection by parents move straight to the COLA.
• Any parents wishing to collect their children are asked to either wait in the COLA or at the tables under the camphor laurel trees. This is a great time to catch up with other parents.
• Please do not wait outside your child's classroom as this impacts on the teachers' last 5-15 minutes teaching time. We find that students tend to look out the window to see which parents are there and this distracts them from the learning that is happening in the classroom.

RIDING BIKES
• Students riding bikes exit the school through the back Market Street gate.

WALKING
There are 3 exits depending on the direction home.
1. Students walking through the schoolground exit via the back Market St Gate.
2. Students walking east along Byron Street exit the school via the middle Market St gate. Both gates are supervised by teachers.
3. Students walking west along Byron Street meet the Principal or delegate at the playground equipment. They are then accompanied down Station Lane and cross the road together. Younger students are accompanied until they cross Station St where they continue west or cross the pedestrian crossing.

PARKING
We realise parking is difficult in the afternoons and the Bangalow Showground committee have kindly allowed for parents to park at the end of Market St as they collect students from school.
They have asked that parents please do not park behind the school hall as they are trying to regenerate this area.

Thank you so much for your support and understanding.

Late Arrivals / Early Leavers
If your child will be arriving at school late, or picked up early, please be sure to come to front office and complete a Student Leave form (yellow slip). A parent or carer should be present to sign this form, thank you.

Kindergarten 2015
We are accepting enrolments now for Kindergarten next year. Please send in your Expression of Interest form if you have a child starting school in 2015, so we can organise our Kindy Buddies for next term’s Kindergarten Orientation Program. A Kindergarten 2015 brochure will be emailed with the newsletter - please forward it to any local families you may know of with a child starting school next year, thank you.

READ, READ, READ!
Don’t let your child slip backwards over the holidays.
Please ask your child to read aloud to you over the holiday break. This can be an enjoyable family activity and will help your child to maintain their reading level. Reading is a practiced skill – like all skills, it needs to be a daily habit.

Year 6 Photos
Year 6 group photos (a serious one and a “fun” one) are available for purchase at $14 each. Please see the school office for an order form. These photos are on display in our foyer.
Please return your order to school by Monday 21 July (W2 T3).

Back to Bangalow Celebration, Saturday 19th July, 2014

It has been 20 years since the village of Bangalow was bypassed with the new Pacific Highway....

In acknowledgement of that occurrence, we are celebrating with our beautiful town and going back to remember how it was from the time when Bangalow had its own hospital in the 1950's, through changing faces and businesses in the 1970's, right through to December 1994, when life all of a sudden was quieter; no huge trucks braking at all hours of the night, less diesel dust & fumes on our shop windows and a reclaiming of the Bangalow cbd.

Several events are happening on the day. There will be two cemetery walks; 11am and 2pm. There will be a lunch and talkfest at the Heritage Tea House & Museum from 12.30pm. Following the lunch there will be a Heritage Town Walk & guided main street tour culminating in the completion of installation of several new heritage plaques.

The talkfest at the lunch will feature an informal panel of some long term locals and some more recent arrivals telling their Bangalow stories. We will be showcasing the recently published, and much sought after Bangalow Banquet Cookbook with our after lunch sweet treats being sourced from recipes within the book. The Bangalow Banquet Cookbook was published as a fundraiser for our primary school and local community preschool and was put together by many members of the community. It has been praised widely, and as well as providing some great recipes, it showcases the wider Bangalow community to the rest of Australia; surely something great for our commercial and tourist interests. $10.00 for lunch and walks; bookings are essential.

Finally if you have not had enough of hearing about Bangalow, and are hungry for more stories and more food, come along to our celebratory dinner being held at the Moller Pavillion at 6pm for $55.00 per head.

Bookings are essential for all events and enquiries can be made by phoning Wendy at the Bangalow Museum on 6687 2183.

Come along, and – if you fancy – tell a story or two yourself. Or just enjoy a laugh and a chance to listen and take it all in.

End of Financial Year – iPad Drive

** Sponsor an iPad before 30 June for your FY14 Tax Deduction **

The school is looking to acquire a Class Set of iPads (15). **Can you help?** We are looking for any interested businesses or individuals to “Sponsor an iPad” for $500 (including DET programs / support). This donation is fully tax deductible* – sponsor before 30 June to claim your tax deduction in the current financial year.

Why do we need iPads?

Teaching and learning in schools is not what it used to be. While once we watched “Behind the News” and wrote a report about it, now kids watch “Behind the News” and create their own versions. The integration and access to technology is crucial to a modern education.

As the iPads can be purchased through the School Library Fund, this is a timely opportunity to take advantage of the School Library Fund’s tax deductible status.

What about other P&C Funds?

In terms of P&C fundraising money, so far this year we have allocated over $25K towards:

- An interactive whiteboard for the new classroom; and
- Assisting the school in purchasing classroom/outdoor equipment across all of the key learning areas, to ensure our kids have on-going access to the quality classroom resources they need.

We are also committed to working with the broader parent body to ensure that your priorities for P&C funding allocation are considered. To gather parents input we will be holding a parent forum in the evening **Wednesday 30th July** to discuss how we best utilise the current available P and C funds for our children’s educational needs.

We appreciate all of the many hours and dollars that everyone in our community commits to make such a difference to the school. This “Ipad Drive” is seen as another option for those who may prefer to make a $ donation to the school. All help is appreciated both the many on-going hours of personal time and/or financial support from the families and school staff. Thank you to all of the families and staff of Bangalow Public School for your support of our children’s education.

What do I need to do to confirm my Sponsorship?

Please complete and submit the attached sponsorship form to the school **before 9am Friday 27 June 2014** (last day of Term 2) to ensure you receive your tax deduction in the current financial year.

* The donation amount is subtracted from the adjusted gross income to reduce the amount of income subject to tax. Please see your tax agent or accountant for full taxation advice.
