**KT CLASS NEWS**

**KT- Kindergarten**
Class Teacher: Mrs Mara Timms
In Literacy we have been looking at the story ‘Puffling’. This has led to discussions focusing on families in the northern and southern hemisphere and the differences in seasons.

Some of our writing is below:

Long Black Feather and Big Stripey Beak lived in the burrow. They had a Puffling. They cared for him. They brought him food. Alaria

One day where the night never falls, Big Stripey Beak and Long Black Feather were surrounding the egg. Then the egg hatched and there was a baby bird. Ollie

In Summer, Puffling hatched. Long Black Feather and Big Stripey Beak watched him hatch. He was hungry. The birds took turns in fishing. Iris

In Mathematics we have been using Rainforest Maths to assist with our learning. It provides lots of interactive activities on the interactive whiteboard which reinforce our number work. We have also been learning about length and the value of money.

Our COGS unit is about making ‘Healty Choices’. Our musical item is set in Spain. We have all enjoyed our visual literacy sessions based on Spain and its culture.
Dear Parents

Musical
‘Around the World in 80 Minutes’

The staff and students are all working together to ensure the students have the opportunity to perform and showcase their many creative talents in this year’s whole school musical.

A Great Partnership!
Thank you so much to both the staff and parents who are putting in many hours of extra time, providing expertise and materials to ensure the students have the best of opportunities.

Tickets
Don’t forget to purchase your tickets from the school office. We also need a large crew of parents to assist with the café on Wednesday and/or Thursday evenings. Please refer to the P & C News for further details.

Road Safety
Please be extra vigilant around ‘drop off’ and ‘pick up’ times to ensure our students are safe at all times.
This is a really busy time with many parents collecting students by car. Just a reminder that students are to exit the school following our ‘Safe Rules’.

Bus travellers- line up under the COLA. An Assistant Principal on duty.

Students being collected by parents- parents either wait under the COLA in inclement weather or at the picnic tables. Students are dropped off by their teachers on the way to the COLA.

Bike riders- all exit out the back gate straight into the showground. Teacher on duty.

Walkers going home through the showground- exit by the same gate as the bikes. Teacher on duty.

Market St Walkers- exit by the Market St gate near the heritage building. Teacher on duty.
All other walkers or students whose parents are waiting for them in Station Lane- wait at the playground equipment where I collect them and walk them out Station Lane.

The Dept. of Transport has sent out some information (attached to this newsletter) regarding ‘Road Safety for Parents’.

Have a great week and thank you so much for your ongoing support of our students and staff.

Kind regards

Susie Boyle
Principal

BUILDING A LEARNING FOUNDATION TOGETHER
The school has established two tax deductible funds to enable families, community members and local businesses to make donations. The building fund will be used to provide technology centres in all classrooms, Wi-Fi, permanent shelving and storage cubicles. Our long term goal is the construction and development of an all-weather, multi-purpose sports area.

The Library Fund seeks to provide all students with updated printed and digital literacy resources. Our long term goal includes classrooms being outfitted with class sets of laptops and tablets.

You can visit our website to download and complete a donor card. Your support is sincerely appreciated.

Thank you to

8 WEEK TERM PROGRAMS & CASUAL CLASSES AVAILABLE
Road safety around your child’s school

Your child’s safety depends on you

Drop off and pick up by car

- Make sure your children are in an appropriate child car seat that is fitted and used correctly.
- Stick to the 40km/h speed limit in a school zone as children are about.
- Look for buses pulling out – watch for flashing zigzag lights.
- Always park and turn legally around schools.
- Avoid dangerous manoeuvres such as U-turns and three-point turns.
- Always give way to pedestrians particularly when entering and leaving driveways.
- Drop off and pick up your child off the school side of the road in your child’s designated drop off and pick up area. Calling out to them from across the road is dangerous – they may run to you without checking for traffic.

It’s safest for children to get out of the car on the kerb side of the road to be away from passing traffic.

Walking together to and from school

- Plan your trip to school so you use pedestrian crossings where possible.
- Always hold your child’s hand. Children need your help to spot dangers such as vehicles coming out of driveways. They can also be easily distracted and wander into traffic.
- Drop off and pick up your child near the school gate and avoid parking them from across the road.
- Talk with your children about Stop, Look, Listen and Think every time they cross the road.
- STOP! one step back from the kerb.
- LOOK! for traffic to your right left and right again.
- LISTEN! for the sounds of approaching traffic.
- THINK! whether it is safe to cross.

Young children can learn these safe pedestrian habits from you and continue them later on when they are old enough to travel alone.

Did you know your child is learning about road safety at school? Join in by visiting safetytown.com.au.
Key points to remember around schools

Driving and parking safely near the school

School opening and closing hours are busy times for pedestrian and vehicular traffic outside the school.
Always take extra care in 40km/h school zones, which operate on gazetted school days.
Park safely even if it means walking further to the school gate.
Observe all parking signs. They are planned with children's safety in mind.
NEVER double park, as it puts children at risk.
Model safe and considerate behaviour for your child — they will learn from you.

Slow down near the school crossing.
At a supervised crossing, observe the directions of the school crossing supervisor.
Always park and turn legally around the school.
Avoid dangerous manoeuvres such as U-turns and three-point turns.
Always give way to pedestrians particularly when entering and leaving driveways.
Avoid parking across the school driveway or the entrance to the school car park.
Using your school's drop off and pick up facility will help keep all children as safe as possible during the busiest times of the school day.

Avoid parking in or near the school bus bay.
