K/1R- Kindergarten/ Year 1  
Class Teacher: Miss Rikki Croft
In literacy we have been studying ‘My Dearest Dinosaur’ by Margret Wild. We have been learning about the problem, setting, characters and plot. We used iPAD apps including iMovie and Comic Life to show what we learnt. Here is some of the transcripts from an interview that we filmed.

Henry: What’s the setting? Logan: A tyrannosaurus attacks at dawn.

In Mathematics we have been learning about how to split numbers and add them. We have also been learning about time and fractions to assist us with planning a fruit cup morning tea for our buddies.

We need to know how to cut fruit in half so you that you get the same amount as your buddy. Elias

Our COGS unit is ‘Making Choices and Getting Along’. We have been talking about our rights, roles and responsibilities.

We are learning about Kenya for the school musical and have made an African display wall in our classroom.

Jack: The mum and the cheeky one.
Henry: What’s the problem?
Logan: A tyrannosaurus attacks at dawn.
Logan: What’s the setting?
Henry: The marshlands.

Our COGS unit is ‘Making Choices and Getting Along’. We have been talking about our rights, roles and responsibilities.

Dear Parents

STUDENTS ARE AT THE CENTRE OF WHAT WE DO.

Thank you so much to all the parents who attended our Parent Forum earlier this term. In response to feedback regarding home-school communication we are launching a new app to further improve our home-school communication. Remember the newsletter is our number one spot for information as is our school website. The new app will provide you with up to date information as you need it. This will ensure you are aware of all the activities we are providing for your child/ren.

Introducing School Stream

Next Thursday in the school newsletter we shall launch our new school app, Bangalow PS School Stream. We shall provide information regarding downloading this free app onto your smartphone or tablet. The information can also be accessed via a computer.

It will provide you with up to date notifications regarding the latest news and events at our school.

We shall also be uploading our School Newsletter to School Stream each week and over time adding all permission notes and messages.

We are anticipating this will be a great asset to parents as you can opt to only receive the information pertinent to the school year/s your child/ren are in. Look out for more information next week.

You Can Do It Parent Information

Our whole school program ‘You Can Do It’ builds our students’ social-emotional intelligence and resilience. The You Can Do It website now has a multitude of courses parents can access online. These include:
* Power of Self-Talk
* Stress Management
* Positive actions that nourish happiness and success
* Parenting with your children’s brain in mind

There are some great ideas here, some of them are free and some of them are at a cost. If you would like the P & C to purchase some of these resources for parent access please let Jenny know.

MUSICAL INFORMATION

Students will receive a note tomorrow with detailed information regarding musical organisation. This will include where they will be in-between scenes over the two nights of the musical and what they need to bring with them. Please read through this note with your child so they are clear on the organisation for the Musical.

NORTH COAST ZONE PSSA

Congratulations to all our students who competed in the North Coast Zone PSSA. Marlin C has qualified for state by coming first in Highjump and Bridie B is off to state in the 100m dash - Fantastic Effort Marlin and Bridie and Good Luck. The girls relay team only just missed out coming in 4th and Kasey B did a great job coming in 4th in the long jump.

SCHOOL SINGLETS

We have a large amount of Bangalow PS green and yellow singlets still outstanding from various sporting events. Could parents please check at home and return any found singles ASAP. Thank you.

THAN K YOU FOR SUPPORTING OUR SCHOOL

The school has established two tax deductible funds to enable families, community members and local businesses to make donations. The building fund will be used to provide technology centres in all classrooms, Wi-Fi, permanent shelving and storage cubicles. Our long term goal is the construction and development of an all-weather, multi-purpose sports area. The Library Fund seeks to provide all students with updated printed and digital literacy resources. Our long term goal includes classrooms being outfitted with class sets of laptops and tablets. You can visit our website to download and complete a donor card. Your support is sincerely appreciated.
