**CYBERSMART**

**Parent Presentation**

**TOMORROW 1:30-2:30pm**

Internet safety presentation helps children stay safe online

Young people today are immersed in digital technologies. They use the internet and mobile phones to socialise, study, exchange ideas and play. While online activity has many benefits, there are also risks.

To help your children stay safe online, Bangalow PS is hosting a Cybersmart Outreach - Internet Safety Awareness presentation. Designed for parents, teachers and students, this presentation is provided by the Australian Communications and Media Authority (the ACMA) as part of a national program of cybersmart initiatives.

The Cybersmart Outreach - Internet Safety Awareness presentation is thorough and non-technical. It covers a range of issues including:

- the ways children use the internet and emerging technologies
- potential risks for children online, such as cyberbullying, identity theft, inappropriate contact and exposure to inappropriate content
- tips to help children stay safe online.

The presentation is conducted by an ACMA Cybersmart trainer and is free of charge.

**Fathers’ Day**

Thanks to all our “dads” who came to school last Friday to take part in our paper aeroplane challenge.

**Vale Mr Jamieson**

Many of you will remember Jim Jamieson, who sadly passed away last Thursday. Mr Jamieson was Assistant Principal (and relieving Principal) at Bangalow PS from around 1990 to 2004, then continued to work here as a casual teacher until 2010. Some of our parents may have been taught by Mr Jamieson. He was much loved and respected by his students and colleagues, a dedicated teacher who always had the academic and social welfare of his students at heart. He was friendly and jovial and his laughter was infectious. Jim will be fondly remembered by all who knew him.

Bangalow OSHC Vacation Care Program, Term 3, 2014 – Phone Janelle or Sian on 66871 686 for bookings 😊
End of Term Greetings

Another great term for Music in Schools is coming to an end, and I hope all of our students are noticing themselves getting closer to achieving their learning goals and being ready to set new challenges. What breakthroughs have you had in your playing this term? Is there a connection between how/when/where you practise and how you feel about your playing? Remember that your teacher can help you with ideas to keep your practice sessions fresh and fun.

A reminder to parents that any variations to enrolment require two weeks’ notice, so if you let us know before end of term, the changes can be in place for the start of term 4.

New students wishing to join the program can do so via our website at www.nrcac.edu.au or by phoning the office on 6621 2266 to find out more.

Spring Gala Concert
Sunday 14 Sep, 2:00 at the Lismore Workers Club
The Community Music program is hosting its annual Spring Gala Concert, showcasing some of the wonderful ensembles available to all Conservatorium students, including Music in Schools students. Hope to see you there!

Make Up Masterclass
What's the time? With Rex Carter
Tues 23 Sept, 10:30-12:00 at The Northern Rivers Conservatorium in Lismore
Free for students who have missed lessons during terms 2 & 3

This workshop offers students of all instruments a fantastic opportunity to look in detail at rhythmic notation with percussion expert Rex Carter. Rex teaches drum kit in the Music in Schools program and is the drummer in the acclaimed Round Mountain Girls.

The workshop will review basic note values, time signatures, subdivisions (focusing on triplet subdivisions) and the difference between swung and straight rhythms through fun exercises and activities.

Many musicians, even as adults, understand the melody part of written music but struggle with rhythm, so this is a great chance to really solidify rhythm reading skills.

As vacancies in Rex’s teaching studio are rare, this is an excellent opportunity to learn with him. Please book on 6621 2266 by Wed 17 Sept.

String Ensemble
A reminder that a String Ensemble opportunity is available at BPS, enrol online at www.enrol.nrcac.edu.au
