K/1R - Kindergarten/Year 1
Class Teacher: Ms Rikki Croft

In Literacy we have been reading the book ‘Hello from Nowhere’. We have been discussing the reasons why people might visit the middle of nowhere. This is part of our L3 program. Here are some of our writing samples.

I think they are coming to look at the lake.
Jethro

I think they are going to the middle of nowhere because they are travellers exploring the world. Or maybe it is because their family lives there.
Iris

In the middle of nowhere people are visiting because they want to check it out.
Cici

Maybe it might be cold at their place.
Maybe they are coming to swim in the river.
Oliver M

I think Eve’s family is coming to see her. I also think that travellers will come to see other people.
Hugo

I think people are coming because they might want to give some supplies and clothes. Maybe they are checking the place out.
Maya

In Mathematics we have been learning about division. Kindergarten has been learning about equal shares and Year 1 has been dividing groups of objects equally.

Our HSIE unit is ‘Paddock to Plate’. We have been learning about where our food comes from.
Dear Parents,

**Mad Hatter’s Derby Tea Party**

Thank you so much to each and every parent, family member, friend and local business who contributed to making last Sunday such a success. Thank you also to the Bangalow Chamber of Commerce, Lions Club, Showground Committee and Bangalow Police for their support of our school.

A special thank you to Amanda, our Mad Hatter’s coordinator and to Jenny, Cath, Georgie, Bec and Kylie who are also on the Mad Hatter’s committee. Your time and commitment to our students is so much appreciated by us all. Refer to P&C News for full list of thank yous.

Thank you to every stall holder, to all who donated prizes for our raffle and to every person who volunteered to either sell raffle tickets or help out on a stall either before or during the day. It is this team effort, where we saw over 100 volunteers working together for our students, that make this day not just successful but good fun for all as well. This is what builds a community.

The funds raised will allow us to purchase the resources and programs for 21st century learning that our students need to prepare them for this rapidly changing world.

Without the P & C, our parent and community support, we would be unable to provide the quality of schooling which is so necessary in this, the 21st century.

**Parent Afternoon Tea**

Friday 22 May following assembly

Come along and meet other parents. Jenny and I will be there and look forward to catching up with everyone. This is a great way to meet parents from other classes and for our new parents to be introduced to our current parents.

**IMPORTANT** **DON’T FORGET**

**PUPIL FREE DAY**

next FRIDAY 29 May

All teachers from the large primary schools in the Byron Shire (BOMBB schools) are working with Ian Jukes an international educational speaker on bringing 21st century learning skills into our classrooms. We are extremely fortunate to have Ian Jukes work with our schools as he transits between major conferences in Sydney and Brisbane.

Don't forget to book into OOSH now if you need care on this day.

Kind Regards, Susie Boyle

**PSSA Soccer**

Congratulations to the Boys PSSA soccer team for their efforts in this year’s knockout competition. The Bangalow side showed their skills, using precision passing and positional play, but were unfortunately knocked out of the competition by a strong finishing Byron Bay team. Bangalow went on to convincingly defeat Ocean Shores PS in a conciliation game. All team members showed fantastic sportsmanship. Well done boys.
