**2M CLASS NEWS**

**2M- Year 2**

**Class Teacher: Mrs Michelle Maiden**

In Literacy we have been learning about the environment. We've been reading 'Where the Forest Meets the Sea', 'Uno's Garden', 'The Farm' and 'The Enchanted Wood'. We've been writing an information report about cassowaries and cinquain poems about the environment.

Leaves
- thin, tiny
- falling, tumbling, flying
- blowing in the wind
- nature

Leaves
- green, gold
- waving, swirling, flipping
- twisting from the tree
- nature

**Farms**
- muddy fields
- riding, swaying, galloping
- rounding up the horses

**Environment**
- rain forest
- flying, turning, waving
- building a good home
- nature

In Mathematics we have been relating skip counting to our 2, 3, 5, and 10 times tables, as well as using shapes to flip, turn and slide. 2M thought Snake Tales was fun, interesting and cool. Our HSIE topic is 'Paddock to Plate'. We've been learning about where food comes from and thoroughly enjoyed this week's excursion.

Dear Parents

HOW TO HELP YOUR CHILD THROUGH A TAX DEDUCTIBLE DONATION

Learning coding and ipads

Modern or future-focused learning is all about critical thinking and problem solving, communication, creativity and collaboration, our 21st century skills. We would like to introduce our students to coding and the P & C have kindly provided us with the funds to purchase a class set of kits which shall make a mobile ‘Maker Space’.

To run this effectively across the school we require 10 more ipads for the students to learn and operate the kits via coding. If you would like to make a tax deductible donation to our library fund of $500 it will be used to purchase an ipad for our students.

** Sponsor an iPad before 30 June for your FY15 Tax Deduction **

The school is looking to acquire another class set of iPads (15). Can you help? We are looking for businesses or individuals to “Sponsor an iPad” for $500 (including DEC programs & support). This donation is fully tax deductible* – sponsor before the end of term to claim your tax deduction in the current financial year.

Why do we need iPads?

Teaching and learning in schools is not what it used to be. While once we watched “Behind the News” and wrote a report about it, kids now watch “Behind the News” and create their own versions. The integration and access to technology is crucial to a modern education.

As the iPads can be purchased through the School Library Fund, this is a timely opportunity to take advantage of the School Library Fund’s tax deductible status.

We appreciate all of the many hours and dollars that everyone in our community commits to make such a difference to the school. This “Ipad Drive” is seen as another option for those who may prefer to make a $ donation to the school.

What do I need to do to confirm my Sponsorship?

Please complete and submit the attached sponsorship form to the school before 9am Friday 26 June 2015 (last day of Term 2) to ensure you receive your tax deduction in the current financial year.

* The donation amount is subtracted from the adjusted gross income to reduce the amount of income subject to tax. Please see your tax agent or accountant for full taxation advice.

Milk bottle tops needed

Kindergarten would appreciate any CLEAN plastic milk bottle lids (any colour) you may be able to collect for them. They would like to use these to make games with. Please send in your WASHED lids to the school office, thank you.

Group Photo orders

Don’t forget, if you’d like to order any of the group photos on display in the office foyer, please use an ordering envelope (available from the office) and send your payment in by Monday 15 June. Prices are as follows:

- $16 each; 2 for $30; 3 for $42; 4 for $52; 5 for $60

Groups available are:
- House Captains; SRC; Year 5/6; Year 6; Year 6 (Fun)

Online Payments

Don’t want to send cash to school with your child? No change in your wallet? Not a problem! We have a secure online payment facility which you can access via our school website by clicking on “$ make a payment”. Please enter as much detail as you can. Payments made prior to 6pm will be processed on the next school day. This is a great way to pay for excursions, book packs, voluntary contributions and school activities. Alternatively, you could download a credit card payment form from our website and send that in with your child. Feel free to contact the school office for more information about our payment methods.

Kind Regards

Susie Boyle, Principal
Paddock to Plate - Stage 1 Excursion

Stage 1 students visited some local businesses as part of our HSIE Paddock to Plate topic. The students had a great time visiting Zentvelds, Byron Bay Biltong, Hemp Foods and Ant Packaging. It was a great experience for all students.

P and C meeting last night

Thanks to everyone who joined us for the P and C meeting last night. We voted to spend money on items including readers, netbooks and coding equipment. The funds voted on will be used across all classes in the school. If you would like to get involved with the P and C, please complete a form at the school office or contact Damion Cavanagh: Damion.Cavanagh@gmail.com

Voluntary Contribution – Have you paid your $45?

Did you know that only 42% of students at our school have paid the voluntary contribution. The $45 contribution is used to cover the costs of readers, home readers and many other basic literacy and maths resources that our kids urgently need.

The P and C cannot fund all of our school resource requirements. So please email the school if you need to check if you have paid the $45 per child contribution.
