2S - Year 2
Class Teacher: Mr Shane McCosker

In Literacy we have been learning about the environment. This week our literacy has related to our COGS unit. We have written recounts about our excursion last week.

I woke up very excited because me and my friends are going on a fantastic excursion to a bottle factory and a coffee farm. First we went to the bottle factory and saw machines that make bottles... Maya

I woke up feeling extremely excited because today Y1/Y2 are going on an excursion. First we got to eat some garlic sausage. Then we got beef jerky and it was delicious! Tom

I woke up feeling really excited because I was going on an excursion. Wilba

In Mathematics we have been studying 3D shapes and learning how to recognise each shape through knowing their properties. Our COGS unit this term is ‘Products and Services’. We have been learning about where food comes from and its journey from paddock to plate.
Dear Parents

ART EXHIBITION

Thank you so much for your support of our inaugural Art Exhibition which was a fantastic showcase of student creativity. This semester the theme was ‘About Face’. Over this semester the students have studied Picasso, Modigliani & Calder and their techniques regarding drawing portraits. The students have also learnt how to use a variety of materials and lines to show expression.

The work the students have produced and the art program they have studied is well beyond the expected level of the primary curriculum. To provide our students with this invaluable experience we need to continue to raise funds beyond the small amount allocated by the government.

The Art Exhibition raised $2400 which will be used to purchase next semester’s art materials. All portraits will be sent home at the end of the year. At the moment they are either on display in the hall or in classrooms.

In Terms 3 and 4 the students’ focus will be on sculpture and landscape art. Our end of year Art Exhibition will feature the students’ work relating to this topic.

I would sincerely like to thank our CAPA committee (Mrs Larissa Polak, Mrs Margo Simpson, Mrs Sam van der Toorn, Miss Laura Hunting, Mrs Diane Jones and Mr Bill Dempster) for all their hard work, dedication, expertise and creative genius. The Art Exhibition was a credit to the standard of teaching the students are receiving plus the organisation and support provided by this committee.

I would also like to thank each and every staff member for their support and time given to ensuring this exhibition was a success for our students.

Kind Regards
Susie Boyle, Principal

SCHOOL NEWS

PSSA Netball Gala Day

On Friday the girls’ netball team braved a cold and wet Lismore day to participate in the PSSA Netball Gala Day. The girls put in their very best and worked hard against the conditions. They had one win and played three games. Well done girls!! A big thanks to Mrs Peacock for training the team and the parent support crew there on the day.

Far North Coast Dance Festival

Last week the Stage 1 Dance Group performed a dance to ‘You Can’t Stop the Beat’ at the Lismore City Hall. It was an incredibly exciting evening. The dancers put in 110% effort on stage and the audience loved it. Well done dancers. You worked hard in rehearsal and performed so well. Thank you to the teachers and parents who supported us. There will be an encore performance at the Term 3 Week 3 assembly. Check out our photos on the next page...

</tbody>
</table>

**N.B. NO SUSHI until further notice**

**URGENT HELP NEEDED!**
Could you please check the roster and text or call Joelle on 0422963109 if you are able to assist.

We also need volunteers for Term 3 - please consider giving a couple of hours of your time to keep our Canteen running!

Thank you to all our volunteers!

## SCHOOL FEES

PLEASE PAY YOUR VOLUNTARY CONTRIBUTION ($45 per year)

WE ARE UNABLE TO PURCHASE ALL OUR CLASSROOM MATERIALS

Each year we receive $64.45 per semester per child to cover all our classroom materials, maintenance, some casual teacher wages, some professional learning and administration costs. Obviously this is not enough and we greatly appreciate the support of and thank the P & C and parents for their ongoing generosity as they ensure through hard work and fund-raising that we are able to provide a high level of education for our students.

Each year our voluntary contributions (school fees) are meant to cover the rest of our classroom materials needed for each Key Learning Area. Our school fees are only $11.25 per term but if every student paid that would be an extra $12,780 for our students’ classroom requirements. The cost of $45 per year or $11.25 per term is minimal compared to the cost of early education or private education but it makes such a difference to the quality of equipment we can provide for our students. This year only 42% of students have paid, which means we are $7,413 short. Therefore, we are unable to purchase some of our classroom materials for English (guided readers for K-6), Mathematics (hands on materials for our students), Science (hands on equipment for experiments), HSIE (history books and Aboriginal education resources), CAPA (we still need a further $600 to purchase all materials needed) and PE/Sport (our sporting equipment is extremely depleted at the moment).

PLEASE PAY THE VOLUNTARY CONTRIBUTION IF YOU HAVE NOT ALREADY DONE SO. YOU CAN PAY IN A LUMP SUM OF $45 OR PAY IN INSTALMENTS.

WE NEED EVERYONE’S SUPPORT

This year the P & C have purchased or have set aside funds for the following equipment for our school, your children’s education:

- interactive panel, associated computer and structure wall for our new classroom 1/2N, 4 new netbooks for 1/2N, Maths equipment for 1/2N (still need more for all other classes)
- 10 netbooks for S1, S2 and S3
- Science and 21st century learning coding kits Y3-Y6
- Moveable Hokki 21st century learning stools
- ipads x 10 (we still need another 10 to cater for K-6), ipad tripod stands
- Sound system for S3 and playground
- L3 materials for K-3 Literacy, guided and home readers for K-2 (still need $3000 more), Critical literacy kit for S2
- Home reader boxes K-2, undercover bag hooks for demountable classrooms

All families and friends are welcome to come along to our Friday Assemblies at 2pm (2:30pm next term)

On the last day of term, Friday 26 June, Canteen will be replaced by a PIZZA DAY.

Normal canteen orders will not be accepted, please use the order form attached to this newsletter (hard copies sent home with all children) and send in CASH with your order, thank you.

Pizza orders need to be in by next Wednesday morning.
ATHLETICS CARNIVALS - How do they work?

The DEC and Primary Schools Sports Association (PSSA) organise Athletics Carnivals at five levels across NSW for all 8yo-13yo.

Students are divided into three age groups: Boys and Girls Junior (8-10yo); 11yo and Seniors (12-13yo).

Level 1  School Athletics Carnival for 8yo-13yo  Byron Shire Sports Grounds
All 8yo-13yo students have the opportunity to try out for representation at the next level for the following events:

100m 8yo-13yo Age Race - based on times (no heats) fastest 4 times for each age (8, 9, 10, 11, 12, 13) go onto the next level

200m  (Jnr, 11, Snr) - based on times (no heats) fastest 4 times for each age group go onto the next level

800m  (Jnr, 11, Snr) - based on times (no heats) fastest 4 times for each age group go onto the next level

Long Jump  (Jnr, 11, Snr) - based on 3 jumps for each child (completed at school T2, finalists only compete at the School Athletics Carnival); longest 3 jumps for each age group go onto the next level ONLY if they meet the qualifying distance

High Jump  (Jnr, 11, Snr) - based on 3 jumps for each child (completed at school T2, finalists only compete at the School Athletics Carnival); highest 3 jumps for each age group go onto the next level ONLY if they meet the qualifying height

Shot Put  (Jnr, 11, Snr) - based on 3 throws for each child (completed at school T2, finalists only compete at the School Athletics Carnival); longest 3 throws for each age group go onto the next level ONLY if they meet the qualifying distance

Discus  (Jnr, 11, Snr) - based on 3 throws for each child (completed at school T2, finalists only compete at the School Athletics Carnival); longest 3 throws for each age group go onto the next level ONLY if they meet the qualifying distance

School Relays [Jnr(8-10), Snr(11-13)] based on age races – fastest 4 times in each age group go onto the next level. (one Junior and Senior Girls’ and Boys’ relay)

N.B. House Relays - are just run at a school level – they do not go onto the next level (based on age races – fastest 4 times in each age group in each house make up the Jnr and Snr relays)

5yo-7yo hold their own ‘practice’ Athletics Carnival at school around the same time. This includes a 50-70m age race and other activities based on the 8-13yo carnivals.

Level 2  District Athletics Carnival (Brunswick Valley District)

Level 3  Zone Athletics Carnival (Far North Coast Zone)

Level 4  Regional Athletics Carnival (North Coast Area)

Level 5  State Athletics Carnival (NSW)
Donating to our Library or Building Funds

Last week we invited parents to make a tax deductible donation to our Library Fund or Building Fund.

If you choose to make a direct deposit into one of these funds, please be sure to email the school with the details, as well as using your name as a reference with the deposit. This will enable us to issue you with a receipt in a timely manner.

Any donations would need to be made BEFORE the end of this term in order for your receipt to be issued in the current financial year.

Please don’t hesitate to contact the school office for further information on how you can make a donation.

Don’t forget, you also have the option to “Sponsor an iPad” for $500 - a tax deductible donation into our Library Fund. Sponsors will receive public recognition (if requested) and will have their name engraved on the iPad purchased with their sponsorship.

Thank you to all who support our school financially!

Art Exhibition prize draw

Congratulations to the following students who won the prize draw with their activity books:

- Stage 1 Iris S (K/1R)
- Stage 2 Alex P (3/4G)
- Stage 3 Nick P (5/6A)

Our Rugby Champs

Two of our students, Tom S and Spencer A, travelled to Grafton last week for the North Coast Regional PSSA Rugby trials, having successfully gained selection in the Far North Coast Zone Rugby team.

Two of the youngest boys playing, they both had a great day, did just about everything possible to warrant selection, and represented Bangalow PS with distinction. Their team won all three games they played, with Spencer scoring two tries in the final match of the day.

Unfortunately, neither were selected in the North Coast team but, only being in Year 5, both will be well prepared for next year.
ART EXHIBITION
June/July OSHC Vacation Care 2015

**Enrolments & Fees**

Thank you for another great term of Music in Schools. Progress Reports will be sent home from school at the end of term for all students in individual and small group lessons – please read the reports with your child to celebrate their achievements, and to clarify goals for the coming term.

Enrolment continues for the school year, so it is essential to inform the Conservatorium with 2 weeks’ notice if your child is withdrawing from lessons at any time. Please settle any outstanding fees by end of term to be eligible to continue lessons in term 3. Enrol online at: www.enrol.nrcac.edu.au

There are vacancies for some instruments, and waiting lists for others – new students please contact the Conservatorium ASAP to be included in timetables for term 3.

**July Holidays**

**Northern Rivers Youth Orchestra Concert, 9 July**

Come and enjoy the fruits of our School Holiday Orchestra Program at the public concert at Lismore Workers Club, 6:00, Thursday 9 July. Tickets just $10 or $50 for a group of six.

---

**Music Marathon**

Bangalow PS Music in Schools Students and the School Band traveled to the Conservatorium in Lismore on May 23 to perform for the public as part of the annual Music Marathon fundraiser.

The half-hour set on the outdoor stage included pieces from several brave, well prepared soloists, and some fantastic tunes from the band. The Muppet Theme was such a hit, they played it twice! Some of the performance was recorded for local radio station 92.9 River FM.

Huge congratulations to all the young musicians involved, who just keep getting better and better the more they practise and perform, and of course to their excellent teachers, with special mention to Kate Gittins who does such great work inspiring BPS students to realise their musical potential. Thanks to the parents who assisted with transport on the day, and to the generous sponsors - BPS students contributed $83 towards new equipment for the Conservatorium, which is a not-for-profit incorporated association.

Zoe Abbott

Come and get involved in some awesome science experiments!
Last day sausage sizzle |

Please provide a drink bottle and a hat each day, especially on excursion days. To book, contact Sian to fill out a booking form via email or in person. All children must be signed in by 9am on excursion days. Vacation Care operation hours 8am-6pm please drop off and pick up between these times. Pick ups anytime after 6pm will receive a late pick-up fee of a minimum of $10 per child. (ph) 6687 1686.
Athletics Carnival

Save the date - Thursday 16th July - cakes needed please

The P&C will be running a sausage sizzle and cake stall at the Athletics Carnival on Thursday 16th of July. We need parents to help on the day with the BBQ and cake stall.

To be able to run the cake stall we need as many cakes as possible from parents.

Please drop cakes off at the school canteen area between 8.45am and 9.15am on the morning of the carnival, or bring them with you to the sports field.

If you are able to help out on the day, we need people to from:
* 9.30am - 12pm
* 12pm - 2.30pm

Please contact Kylie Redden on 0437 357387 if you can come along at either or both of these times.

Price list
- Sausage in bread $2.50
- Nudie Juice Popper $2
- Cakes $1 - $2

Canteen

Please place orders on the Flexi Schools system

Thanks to everyone who is using this system for canteen orders.

Have you set up your Flexi schools account yet? Get onboard and really help us simplify the work that our volunteers do at canteen each week. Simply visit the website www.flexischools.com.au to get set up.

All students who order their lunch online will go into the draw to win an ice block.

PIZZA DAY

Last day of term

Instead of our usual canteen on the last day of term (Friday 26 June), we will be having a Pizza Day.

Please send in your orders (Flexischools cannot be used for this) with cash payment by next Wednesday.

Order forms will be sent home with all children.

P and C – come and get involved

If you would like to get involved with the P and C, please complete a membership form at the school office or email the P and C Secretary Damion Cavanagh Damion.Cavanagh@gmail.com

Uniform Update

Winter hoodies and raincoats now available

The uniform shop is open on Tuesday mornings from 8.45am until 9.30am outside the canteen.

You will soon be able to order your child’s uniform through the Flexi-school system. Currently, order forms are available from the school office.

Thanks to Sarah Hanna our uniform co-ordinator.
THANK YOU FOR SUPPORTING OUR SCHOOL

The school has established two tax deductible funds to enable families, community members and local businesses to make donations. The building fund will be used to provide technology centres in all classrooms, Wi-Fi, permanent shelving and storage cubicles. Our long term goal is the construction and development of an all-weather, multi-purpose sports area.

The Library Fund seeks to provide all students with updated printed and digital literacy resources. Our long term goal includes classrooms being outfitted with class sets of laptops and tablets.

You can visit our website to download and complete a donor card. Your support is sincerely appreciated.

Tickets:  Adults $20. Children 5-15 years $8.00
Tickets at: Driftlab in Newrybar, Barebones in Bangalow, Bookmark in Lennox

Enquiries - Noel 0423 275 356 or email newrybarhall@gmail.com
Nationally Consistent Collection of Data on School Students with Disability

Notification for Parents and Carers

From 2015, all Government and non-Government schools across Australia are required to participate annually in the Nationally Consistent Collection of Data on School Students with Disability (NCCD).

All Australian schools will collect data on their students who are receiving adjustments to meet additional learning and support needs in accordance with their obligations under the Disability Discrimination Act 1992 and Disability Standards for Education 2005. This data will be provided to the Australian Government to assist in the development of a consistent, national picture of the education needs of students with disability.

The data provided to the Australian Government by the NSW Department of Education and Communities is provided in such a way that it cannot be used to identify any individual student or school.

Privacy Protection

The NSW Department of Education and Communities follows the requirements of the Privacy and Personal Information Protection Act 1998 and the Health Records and Information Privacy Act 2002. Schools will collect, record, store and use data about individual students in line with these requirements. Data security and protection is a priority and students’ personal details will be kept confidential.

Under Clause 52 of the Commonwealth Australian Education Regulation 2013, data collected by the NSW Department of Education and Communities for the NCCD must be provided to the Australian Government Department of Education and Training. This includes the number of students at each level of education, the number in each category of disability and the number at each level of adjustment. The information is provided to the Commonwealth as a series of number sets that cannot be used to identify any individual student or school.

The Australian Government Department of Education and Training follows the requirements of the Commonwealth Privacy Act 1988 when handling any data provided by NSW Department of Education and Communities in connection with the national data collection. A privacy notice has been developed to by the Australian Government to provide students, parents and carers with important privacy information in relation to the data collection. This notice is available on the department’s website at http://education.gov.au/notices

If you have any questions about the data collection please do not hesitate to contact your child’s class teacher or Karen Gallagher (Learning and Support Teacher).

Susie Boyle
Principal
WHAT IS THE NATIONAL DATA COLLECTION?
The Nationally Consistent Collection of Data on School Students with Disability (the national data collection) is an annual collection that counts the number of school students with disability and the level of reasonable educational adjustment they are provided with. The national data collection will count students who have been identified as receiving an adjustment to address a disability under the Disability Discrimination Act 1992 (the DDA). The DDA can be accessed from the ComLaw website at www.comlaw.gov.au.

WHAT IS THE BENEFIT FOR MY CHILD?
The aim of the national data collection is to collect better information about school students with disability in Australia. This information will help teachers, principals, education authorities and families to better support students with disability to take part in school on the same basis as students without disability. The national data collection is an opportunity for schools to review their learning and support systems and processes to continually improve education outcomes for their students with disability.

WHY IS THIS DATA BEING COLLECTED?
All schools across Australia collect information about students with disability. But the type of information currently collected varies between each state and territory and across government, Catholic and independent school sectors. When implementing the national data collection, every school in Australia will use the same method to collect information. Therefore, a government school in suburban Sydney will collect and report data in the same way as a Catholic school in country Victoria and an independent school in the Northern Territory.

The information provided through the national data collection will enable all Australian governments to better target support and resources to benefit students with disability. The data will help schools to better support students with disability so that they have the same opportunities for a high quality education as students without disability.

WHAT ARE SCHOOLS REQUIRED TO DO FOR STUDENTS WITH DISABILITY?
All students are entitled to a quality learning experience at school. Schools are required to make reasonable adjustments, where needed, to assist students with disability to access and participate in education free from discrimination and on the same basis as other students.

These responsibilities are outlined in the DDA and the Disability Standards for Education 2005 (the Standards). The Standards require educators, students, parents and others (e.g. allied health professionals) to work together so that students with disability can participate in education.

The Standards can be accessed via the ComLaw website at www.comlaw.gov.au.

WHAT IS A REASONABLE ADJUSTMENT?
A reasonable adjustment is a measure or action taken to help a student with disability access and participate in education on the same basis as students without disability. Reasonable adjustments can be made across the whole school setting (e.g. ramps into school buildings), in the classroom (such as adapting class lessons) and at an individual student level (e.g. extra tuition for a student with learning difficulties).

WHAT INFORMATION WILL BE COLLECTED?
Every year your child's school will collect the following information for each student with a disability:

- the student's level of education (i.e. primary or secondary)
- the student's level of adjustment
- the student's broad type of disability.

The information collected by schools will be provided to all governments to inform policy and programme improvement for students with disability.

WHO WILL BE INCLUDED IN THE NATIONAL DATA COLLECTION?
The definition of disability for the national data collection is based on the broad definition under the DDA. For the purposes of the national data collection, students with learning difficulties such as dyslexia or auditory processing disorder as well as chronic health conditions like epilepsy, diabetes or asthma, that require active monitoring by the school, may be included.

WHO WILL COLLECT INFORMATION FOR THE NATIONAL DATA COLLECTION?
Teachers and school staff will identify the number of students with disability in their school and the level of reasonable adjustment they are provided based on:

- consultation with parents and carers in the course of determining and providing reasonable adjustments
- the school team's observations and professional judgements
- any medical or other professional diagnosis
- other relevant information.

School principals are responsible for ensuring the information identified about each student is accurate.

HOW WILL MY CHILD'S PRIVACY BE PROTECTED?
Protecting the privacy and confidentiality of all students and their families is essential. Personal details such as student names or other identifying information will not be provided to local or federal education authorities.

IS THE NATIONAL DATA COLLECTION COMPULSORY?
All education ministers agreed to full implementation of the national data collection from 2015. This means that all schools must now collect and report information annually on the number of students with disability in their care and the level of adjustment provided to them.

Information about the arrangements that may apply to your school in relation to this data collection is available from your child's school principal and the relevant education authority or association of independent schools.

Even if your child's information is not included in the national data collection, the school is still required to provide support to your child with education needs.

FURTHER INFORMATION
Contact your child's school if you have further questions about the Nationally Consistent Collection of Data on School Students with Disability and how it may involve your child.

PIZZA DAY
(last day of term)

Normal canteen will be replaced next FRIDAY 26 JUNE with a Pizza Day.

Two delicious types of pizza will be available:

1) Ham & Pineapple
2) Margarita

Cost:

1 slice $3.00
2 slices $5.00
Popper (juice or milk) $2.00

Orders and cash payment are being taken in advance only. Please note, Flexischools cannot be used for this.

Fill in the form below and return your order to school by Wednesday morning.

There will be no orders on the day and no other canteen items will be available.
