3/4G - Year 3 & Year 4  
Class Teacher: Mr Shannon Gisen

In **Literacy** we have been working on creating interesting introductions for speeches that we have been presenting in class. Some interesting beginnings included:

- It's the year 1825 and there is no such thing as television, computers, iPhones or any electronic devices. It is a completely ordinary but different world to the 2015 present we know. **Tahlia M**
- Have you seen someone reading a book on the internet or on a tablet? Soon everyone will be! **Zahara A**

Today is a new day. Who knows, you might get a nickname? **Isabel W**

We have also been presenting **PowerPoint** slide shows on fictitious 'Around Australia Journeys'. Some places we 'went' to included Byron Bay, The MCG, Luna Park, Uluru, Cradle Mountain and some of us went to pat Tasmanian Devils.

This term in **HISE** 3/4G will be exploring different people and their belief systems, beginning with Aboriginal dreaming and moving to world religions.

In **Science** we will be examining plants in action where we will grow plants to study a plant’s life cycle.
Dear parents

Welcome back to another busy term.

I will be continuing as relieving principal until the end of Week 2.

Well done to all students for a great effort at today’s Athletics Carnival. I would particularly like to thank the staff for their help in organising another successful event. Good luck to those students who will go on to represent our school at the Brunswick Valley District Athletics Carnival on Friday 31 July.

Kind Regards
Diane Jones, Relieving Principal

THANK YOU to our sponsors!

Many thanks to the following people who “sponsored an iPad” for our school:

- Stehnbild (Jason Stehn) - TWO iPads!
- Trent Paola

We will be purchasing these iPads shortly and they will be engraved with our sponsors’ names to acknowledge their generous donations.

It's never too late to support our school with a tax-deductible donation to our Library or Building funds - just ask our friendly office staff for details.

We would also like to take this opportunity to thank one of our regular benefactors, Dr Phoebe Rose, who makes a monthly contribution into both of these funds. Every bit of financial support benefits our students, your children. Thank you!

LOST PROPERTY

With children wearing layers to school in the cooler weather, please make sure everything that can be removed is clearly labelled with your child’s name! Any items that are named can be easily returned to their owner, however we do have quite a collection of “nameless” jumpers - come to the office if you would like to look through our Lost Property for missing items. Also, please check to make sure your child has not picked up another child’s clothing by mistake, as this often happens.

HATS

Note that children still need to bring a hat to school every day, in keeping with our sun-safe policy. We do not have “spare” hats for children to use, thanks for your understanding. Hats can be purchased from the school office (cash only) for $10 each.

Receiving our Newsletter

How do you receive your newsletter each week? If you are not on our mailing list, please contact the school office to arrange to have the newsletter emailed to you. Alternatively, you can download the School Stream app on your phone or tablet to receive regular information from the school, including weekly newsletters. The newsletter is also uploaded to our school website. Paper copies are available from the office on request.

Next P and C Meeting
Wednesday 12th August
Our next meeting will be Wednesday 12th August at 7pm in the staff room. If you would like to get involved with the P and C or just receive the online information, please complete a membership form at the school office or email the P and C Secretary Damion Cavanagh Damion.Cavanagh@gmail.com
2016 ENROLMENTS

PLEASE LET US KNOW IF YOU HAVE A CHILD THAT YOU WISH TO ENROL AT OUR SCHOOL

So that we can provide you with all the relevant information, and so that we can plan our staffing and resources for next year, we would appreciate it if you could notify the school as soon as possible of any new Kindergarten or other enrolments for 2016. Please fill in the slip below to provide details.

THANK YOU FOR SUPPORTING OUR SCHOOL

The school has established two tax deductible funds to enable families, community members and local businesses to make donations. The building fund will be used to provide technology centres in all classrooms, Wi-Fi, permanent shelving and storage cubicles. Our long term goal is the construction and development of an all-weather, multi-purpose sports area.

The Library Fund seeks to provide all students with updated printed and digital literacy resources. Our long term goal includes classrooms being outfitted with class sets of laptops and tablets.

You can visit our website to download and complete a donor card. Your support is sincerely appreciated.
