**4V CLASS NEWS**

**4V - Year 4**

**Class Teachers:** Mrs Amanda Van Den Berg & Mrs Leonie Hibble

In imaths we are doing the lengthy leaps investigation. We will be finding the optimum run-up needed to achieve the longest jump possible.

**Writing** - using the 7 Steps to Writing Success program to further develop our narrative writing techniques. Students have been brainstorming ideas for a setting, problem and characters. Students will be using connectives to link a variety of clauses to link their sentences.

Our integrated **English** and **HSIE** unit is based on global beliefs and issues including war and peace, poverty, extreme weather conditions and refugee experiences. We will be using the texts “The Little Refugee” by Anh Do, “Mirror” by Jeannie Baker and the movie “Cloudy with a chance of Meatballs”.

In **Science** students will be learning about plants. Using the inquiry learning process, students will develop an inquiry question and go about finding a solution by designing a science investigation.

Principal: Susie Boyle
Dear Parents

I will be continuing as Relieving Principal while Susie is on leave until the 31st July. I am sure you will join me in wishing her a quick recovery from her broken leg.

The students participated in the CWA International Competition last term with a focus on Italy. The award recipients were invited to a celebratory morning tea of pizza and breadsticks to receive their awards. Congratulations to Alice W, June L, Charlotte B from KD, Sienna C, Luca S, Madeleine K from 1/2N, Sophia SH, Sunny D, Stella S from 3P and Sophia M from 5/6A.

Unfortunately it was necessary to postpone the 5-7 year old athletics day due to inclement weather this week. We hope to reschedule as soon as our grounds dry out and the weather improves so that our little devils, dingoes and dolphins can compete.

Assembly returns to 2:30pm this week featuring the presentation of our school athletics awards. The P&C will be holding an afternoon tea at 2:00pm to welcome any new families and catch up with existing ones over a cuppa and cake. We look forward to seeing you there.

Valleyfest rehearsals and performances will feature in our Education Week events next week. The choir and dance groups are polishing their performances ready to wow us all. Good luck to both groups. Don’t miss out, tickets are selling fast.

The students will also participate in a Science Day on Thursday where they will participate in a number of different activities throughout the day including two visiting presenters from Rous Water and Far North Coast Weeds. Many thanks to Mrs van den Berg for organising this event.

Kind regards
Diane Jones

THANK YOU FOR SUPPORTING OUR SCHOOL

The school has established two tax deductible funds to enable families, community members and local businesses to make donations. The building fund will be used to provide technology centres in all classrooms, Wi-Fi, permanent shelving and storage cubicles. Our long term goal is the construction and development of an all-weather, multi-purpose sports area.

The Library Fund seeks to provide all students with updated printed and digital literacy resources. Our long term goal includes classrooms being outfitted with class sets of laptops and tablets.
