1H - Year 1 : Mr Steve Hutchinson
1H is looking at how our school has changed, and the pictures of when Bangalow Bowling club was located in the bottom playground of the school.

In Literacy we have been writing stories about "Mr Chicken" and the many places he has visited.

Mr Chicken is going to New York City. He is walking along the streets. He sees a pork shop and he loves to eat pork. Ryder

Mr Chicken goes to Melbourne. He starts to eat icecream with his friend Alice. His favourite is mango but Alice loves strawberry. Emma

Mr Chicken goes to Bangalow. He goes to Bang Burger Bar. He has chips and burgers and he catches a taxi to my house. Zola

Mr Chicken goes to Luna Park and goes on dodgem cars. Then he goes to Bangalow and goes home with Miss Chicken. Jack

The children have also been using different natural objects to create texture with clay in Art Lessons with Miss Hunting.

In Mathematics 1H have been looking at fractions and data.
Dear Parents

It has been another big week at Bangalow Public School. We had the final Kindergarten Orientation visit this week and we are looking forward to seeing their happy faces return for our Buddy Olympics on 26th October from 12.30pm-1.30pm.

We are looking forward to welcoming as many dads and male carers as possible to our Father’s Day breakfast tomorrow morning from 8.30am– 9.10am. Come along to enjoy a muffin, a coffee and a father/child activity. A good way to get your Father’s Day weekend off to a great start.

Have a great week

Kind regards
Diane Jones

***Permission notes available on our school website
Permission to Publish
We like to publish the achievements of our students in this newsletter, on our school website, and from time to time in other promotional materials. Most parents have submitted a Permission to Publish form, or indicated on the enrolment form that they are happy for us to do so.
If you DO NOT want your child’s name or photograph to be used by the school in any print or electronic media (including our school newsletter and website), please contact us as a matter of urgency, thank you.

High Jump Champ
Congratulations to Marlin C, who won the High Jump event at the North Coast Regional Athletics Carnival last week with his amazing ‘personal best’ jump of 146cm. He is now in training for the State titles.

Munch ‘n’ Crunch
There will be NO “Munch ‘n’ Crunch” provided at school on Wednesdays until further notice. However we will continue to have “Crunch ‘n’ Sip” every day, so please continue to send fruit/vegies and a water bottle with your child every day.

NITS
We have been notified of several cases of nits from all years (K - 6). It’s a good time for everyone to check for, monitor and eradicate these little pests.

Magpie Alert
It is Magpie swooping season. We have a pair of nesting magpies in a tree near the disabled car park. Please be mindful as you walk through the playground.

To help celebrate our love of books here at Bangalow Public School, we have been reading the short-listed picture books and voting on which book we thought may win Children’s Book Council of Australia Book of the Year. As is our tradition here at BPS we will again be raising money for local author, Tristan Bancks’ 2015 World Change Challenge which is to put $40 000 worth of local language books into school libraries in Nepal. Over the last few years we have successfully been a part of this challenge, which has included the funding and building of a new school library in Siam Reap, Cambodia, which two of our students visited last year whilst on holiday.

This is a great project and many well published Australian authors, including Belinda Murrell who visited our school in March this year, have become ambassadors for this project, which we have supported over the years.

**Our World Change Challenge for 2015 will be a Book Swap to be held in the school hall on the last Friday of this term.**

If you have some books that your children have finished reading please start sending them in to the library and help support this great project. On Book Swap day students will be able to purchase the donated books for up to $1.00 each which is the cost of supplying one new book to a school in Nepal in their local language.
Next P and C meeting:
Wednesday 9th September at 7pm in the school staff room.
Any agenda items please email Damion: damion.cavanagh@gmail.com

Help us make a deck for our children’s playground. It is time to get building in the school holidays.
Your help is now needed. Please call/text Jenny if you can help out Ph: 0400 420023

Where: Bangalow Bowling Club

Position Vacant
Canteen Supervisor for 2016
BANGALOW PUBLIC SCHOOL P&C COMMITTEE is looking for an efficient, enthusiastic canteen supervisor to work in our school canteen commencing Term 1 2016. The canteen provides healthy lunches and snacks to students, 2 days per week during NSW school term. Please email Jenny Kennedy for further information – jenny@buncoffee.com.au
Applications close Friday 2nd October 2015

Please order your child’s canteen orders online
Did you know that by placing your child’s lunch order via FlexiSchools you are really helping our canteen co-ordinator and volunteers? Online canteen orders help by:
• Reducing time spent reading and tallying all of the orders manually
• Saving time as we don't have to count hundreds of $$ in small change
• Reducing food wastage with accurate tallying
• Giving the volunteers more time to make and pack the lunches
We need you as parents/carers to PLEASE help us make this process easier for our volunteers. So go to www.flexischools.com.au and join up today.

... and please SUPERVISE your child if letting them place their own FlexiSchools order! If your child accidentally orders an item 10 times, it will cause distress for your bank account as well as our canteen volunteers.
THANK YOU FOR SUPPORTING OUR SCHOOL

The school has established two tax deductible funds to enable families, community members and local businesses to make donations. The building fund will be used to provide technology centres in all classrooms, Wi-Fi, permanent shelving and storage cubicles. Our long term goal is the construction and development of an all-weather, multi-purpose sports area.

The Library Fund seeks to provide all students with updated printed and digital literacy resources. Our long term goal includes classrooms being outfitted with class sets of laptops and tablets.

You can visit our website to download and complete a donor card. Your support is sincerely appreciated.
